THE JUDGES CRITIQUE OF OUR OPEN SHOW ON 16TH MAY 2024

Thank you to the committee for inviting me to judge their Open Show which was held after breed judging at SKC. A well organised show by the friendly committee. Thanks to my stewards and to the exhibitors who entered under me with their lovely dogs.

VETERAN D/B (3,2 AB) Edington-Hall's Wendaire Kissed By An Angel JW SHCM SHCEX VW. This 9 year old grizzle male is in good condition. He has an excellent head with a flat skull, correct ears used well, beautiful eyes full of expression, and a good mouth. Muscular neck of moderate length, level topline but tail set spoiled overall outline. Forequarters strong, well laid back shoulders, plenty rear angulation. BV.

SP.BEG D/B (1) Bell's Balchraggan Bailey Sweet. Good to see a newcomer to the breed taking part. This 3 year old bitch is of good size, and in a fit condition. She has a good head with correct mouth. Good dark black jacket and moved OK

PUPPY DOG (1) Edington-Hall's Est Etiam Novus Angelus Mit Wendaire IMP UKR
A promising 7 month old male who has a powerful feel to him for his age. Good head length proportions, and hopefully the width will develop more, and ears should settle in time. Mouth good. Well boned, deep chest, flat shoulder blades, powerful hindquarters which were well angulated. Moved well both ways. Liked the quality of his coat. Put in a good performance in the challenge BPIS.

PG DOG (2). Knight's Temtiz Buzz Lightyear at Lelaps. Nice type throughout with this young, well muscled male. Well balanced overall with a good topline, level back, correct chest with well sprung ribs giving an equally good underline. Rear angulation was good. Unfortunately he was very spooked and couldn't assess his head properly, Round tight feet, a good coat with a dark black saddle.

2. Burn's Balchraggan Rock Whitebeam. Good masculine head with a flat skull and keen dark eyes. Coat was of good quality and colour.

LIMIT DOG (1) Fearnheads's Settlebeck Royal Flush. Strong chiselled head with beautiful keen dark eyes and a good nose and mouth. Well muscled throughout and good coat condition and colour, but too much hair on front legs which didn't hide the front movement. Muscular neck, long shoulders, deep chest giving a lovely underline. Good rear angulation and tail set. Moved better in the challenge to get BD

OPEN DOG (0)

PUPPY BITCH (0)

PG BITCH (3)1. Graham's Shadian Heavens Dream at Thistleaire JW. Liked her head which is strong and powerful, ears in proportion, dark expressive eyes. Muscular neck, good shoulders, onto well boned straight forelegs. Level back, deep chest and powerful hindquarters. A sound mover, front and back. Good coat condition.

2. Fearnhead's Settlebeck Queen of Hearts. Very feminine bitch who is well muscled. Expression spoiled by not using ears to advantage. Strong neck of moderate length, well ribbed and good depth of chest. Prefer a higher set of tail. Hindquarters were correct.

3. Steinke's Temtiz Miss Prim and Proper

LIMIT BITCH (1) Shields' Shielmarh Fortuna Forseer. Liked overall shape with strong head of correct proportions, good mouth and dark eye, but another not using her ears. Straight and level back, correct depth of chest and rear angulations. Nice round, compact feet. Coat was soft.

OPEN BITCH (4, 1 ab) Hall's Muliebrity Ocean Bay. Clean outlines on this showy bitch who oozes femininity. Really liked her topline with straight back and correct tail set. She had enough chest down to her elbows. Loved her hindquarters which had just the right amount of angulation with hocks well let down. She moved effortlessly around the ring and was the only Airedale who put in a faultless performance today, being quick in movement and on the tip toe of expectation, which one would hope to see in this breed. Only criticism was the clipped head and the grooming of the eyebrows, which did spoil her expression BB, BIS.

2. Toulson's Toulsyork Tiger Lily. A smaller bitch to 1 but she is soundly made which resulted in true drive, especially in rear. Loved her clean neck and shoulders, shorter coupled compared to 1, a level, straight back, good tail set and correct rear quarters. Head was of good proportions. Coat was wiry and presented correctly. A difficult decision between these two bitches, but this bitch just didn't seem to put all in today. Told she was made up earlier so I'm sure she felt she had already done enough for one day! 3 shows is a lot to ask of our dogs RBIS.

BABY PUPPY D/B (1) Bain's Muliebrity Touch of Gold. 5 month old sweet bitch who looks very promising. Liked her head which is nicely proportioned already and lovely dark expressive eyes. Neck of moderate length, good front, plenty bone, well ribbed and good length of body developing. Coat coming along nicely which is of good quality. Difficult to assess movement as she decided to be a typical pup of that age.

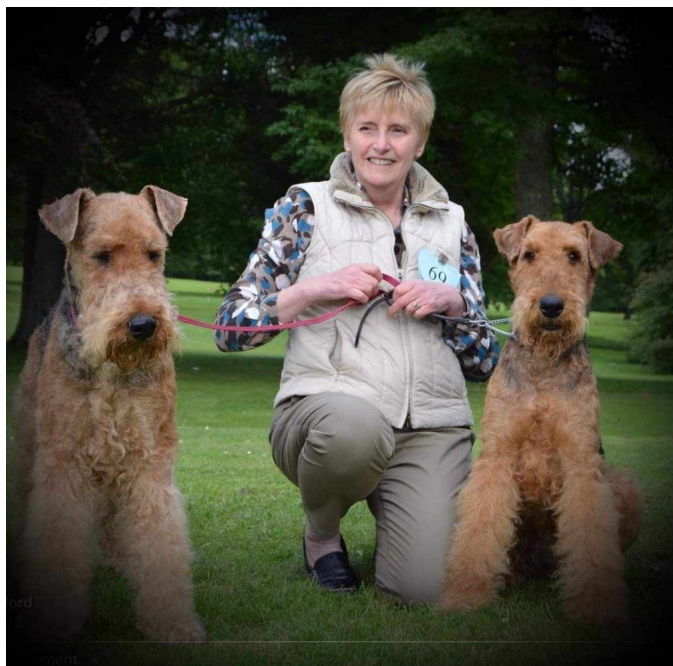

SP OPEN (PET TRIM) (2) Goswell's Toulsyork Noted Nat. 7 year old masculine male who seemed unfazed and plodded along happily around the ring. Soundly made just needs to watch his weight. Good front and of the right size.

2. Bell's Balchraggan Bailey Sweet,

JANET ROBERTSON (RENEVIS)

Our Club Members as well as the Dog Show Community will all recognise Louise Moore who showed her Airedales and was a long time member of The Airedale Terrier Club of Scotland and sadly passed away on 29th April 2024. We send our condolences to Chris Moore husband of Louise.

Easthaven at our Fun Show and BBQ. All around us the country was getting battered by wind and very heavy rain and we found our afternoon overcast, damp but dry. We did not have the usual turnout due to the bad weather but we all had fun and enjoyed ourselves.

During "Chase the Sausage" a crow swooped down and stole the sausage and caused a lot of laughter.

The girl in the photographs below is 9 years old and her name is Sophie Robb. accompanied by her mother and other friends Sophie walked 10 miles from The British Legion at Carnoustie to The British Legion Arbroath and raised an amazing £4,000.00 for donation to Combat Stress. She used the Aire-dale WW1 monument at Easthaven for one of her rest stops.

Airedale Terrier Club of Scotland Breed Rescue are still delivering food donated to our donation boxes at Morrison's Supermarket Arbroath and Morrisons's Superstore at Dundee. Ken Goswell delivers to Petterden and Drumoak SSPCA on a regular basis.
